

Commercial Marine Package

Local Experts. Industry Leaders. Your commercial marine clients are too busy with the pace of business and the challenges of a highly competitive marketplace to need another worry. Like whether their operation has the right coverage – or enough coverage. Or whether they'll be promptly and fairly restored in the event of a loss.

That's where the power of an International Marine Underwriters (IMU) insurance solution comes in. A longtime ocean marine leader, we have exceptional expertise and experience, enabling us to tailor the right coverage solution to meet your particular needs. And, IMU's regional, full-service focus means our network of professionals knows the local environment and can respond quickly. Add in financial stability and our strong relationships with agents and brokers like you, and your clients have comprehensive, dependable commercial marine package protection that helps them maintain their competitive edge.

Commercial Marine Package Coverage

Our comprehensive package solution provides superior property and liability protection vital to many different marine industries, and includes:

- ▶ Marine general liability, including products liability, completed operations and contractual liability
- ▶ Real and personal property, including business income/extra expense, and equipment breakdown
- ▶ All-risk coverage for piers, wharves, docks and miscellaneous mobile or contractor's equipment
- ▶ Hull physical damage
- ▶ Hull builders risk
- ▶ Protection and indemnity
- ▶ Pollution liability
- ▶ Marine bailee liability
- ▶ Pollution physical damage

Eligible classes include ship repairers, passenger vessel operators, boat builders, marine contractors, stevedores, wharfingers, terminal operators and marine artisans.
