

Ocean Cargo

Local Experts. Industry Leaders. Your commercial marine clients are too busy with the pace of business and the challenges of a highly competitive marketplace to need another worry. Like whether their operation has the right coverage – or enough coverage. Or whether they'll be promptly and fairly restored in the event of a loss.

That's where the power of an International Marine Underwriters (IMU) insurance solution comes in. A longtime ocean marine leader, we have exceptional expertise and experience, enabling us to tailor the right coverage solution to meet your particular needs. And, IMU's regional, full-service focus means our network of professionals knows the local environment and can respond quickly. Add in financial stability and our strong relationships with agents and brokers like you, and your clients have comprehensive, dependable ocean cargo protection that helps them maintain their competitive edge.

Superior, Customized Protection

Whether your client's company is just beginning international trade or is an established Fortune 500 operation shipping products worldwide, we can provide comprehensive, customized coverage for overseas shipments aboard vessels or aircraft, including inland transit when part of the through movement.

Our basic policy generally covers goods and merchandise in the ordinary course of international transit anywhere in the world. To meet your unique needs, a policy can be amended to include:

- ▶ Consolidation/deconsolidation exposures
- ▶ Temporary storage at domestic and overseas locations
- ▶ Domestic inland transit, including barge shipments
- ▶ Processing exposures
- ▶ Exhibitions
- ▶ Sale samples

Eligible classes include importers, exporters, manufacturers, wholesalers, distributors, freight forwarders and customs house brokers.

Please refer to the actual policy for exact coverage descriptions; exclusions and deductibles may apply. Coverages are subject to policy terms and conditions.
